Hello families,

We are off to a wonderful start for the 22-23 school year! We can use your help with a few items to make our procedures run smoothly.

If your child is going to be a car rider, please be sure to pick them up from your vehicle with the car tag in the dash. You do not need to get out of your car.

If your child's end of the day transportation is going to be something different than normal, please call the office to let us know before 3:00 each day. We want to make sure that all of our students get home safely!

Finally, please make sure that your child is wearing their school uniform to school each day, unless it has been announced by the kindergarten office that it is an out of uniform day. All students are expected to follow the Perry Township School Uniform guidelines. Please let us know if you need assistance getting uniforms for your child.

Have a great weekend!

Mrs. Jewell

Indiana Code 20-35.5 requires all Indiana schools to administer a universal screener for learning characteristics related to dyslexia. Dyslexia is a learning disorder that involves difficulty reading due to problems identifying speech sounds and learning how they relate to letters and words (decoding). All students in kindergarten, grade one, and grade two will be given the screener in the month of August. Please contact our school with any questions or concerns regarding the universal dyslexia screener.

If changes need to be made to your child's

daily dismissal plan please call the office by 3:00 PM
