Mrs. Bethany Gibson, Principal

Mr. Kyle Scaringe, Assistant Principal

Dear Caregivers:

On October 5th and 6th, Jessica Medeiros of the Indianapolis Metropolitan Police Department, Victim Assistance Unit will be presenting the Body Safety Program for our students. This program teaches children to recognize and avoid sexual abuse. The program is adapted to the age level of the student and will be presented virtually to each classroom. This Body Safety program is an important part of your child's educational experience. We appreciate the support of caregivers at home. If you have questions or concerns, please contact the school social worker or principal.

Sincerely,

Bethany Gibson
